Dear NA/AA coordinator,

In light of the challenges faced by members of our community afflicted by substance use disorders we at the Martha's Vineyard Hospital have undertaken an effort to better understand these disorders. We have learned that support group meetings such as AA and NA play a pivotal role in helping people recovering from substance use disorders. We would like to help support Islanders in recovery by letting you know that spaces at the hospital are available for meetings. Please let us know if you are interested in hosting meetings at the Martha's Vineyard Hospital so that we can work out the details. We look forward to working with you.

Thank you.

Pieter Pil MD, PhD  
Chief Medical Officer

Joseph Woodin  
Chief Executive Officer
