## Old Business:

The Chairman began a discussion of the recent Unity Breakfast and the organizational problems that took place. It was voted unanimously to adopt a set of guidelines to assist those who will organize future Unity Breakfast events. David S. will formulate a set of protocols to bring to the September meeting. It will be a suggested set of guidelines which may be amended by discussion by those group representatives and other interested AA's present. Hopefully a vote to adopt guidelines will prevail. If so they will be included in the Secretary's book as well as the AA archives.

Robert M. suggested that instead of listing the number of members present in the minutes, but to list their names and the group they represent. It was moved and seconded and voted unanimously that the Secretary record this information in the meeting minutes beginning with the next scheduled Intergroup meeting.

There was no new business

## Chairman's addendum:
